## **Aiki-Centre Self Defence - Course Content**

Assault prevention – The power of what we know:

- Reduce risk of assault in the **street, home, work, school and social situations** including public transport, parties, intimate situations etc. **Making you a harder target!**
- **Travel safety whether at home or abroad.**
- Identifying **environmental and personal factors and decisions** that impact on your personal safety.
- Responding effectively to **harassment, sexual assault, bullying, abusive and intimidating behaviour** including issues arising from the use of the internet and mobile technology.
- Application of verbal & non-verbal communication skills emphasising de-escalation and disengagement strategies. Learn **how to use confident body language, movement and effective verbal communication.**
- Develop **mental and physical assertiveness and confidence** to deal positively with fear, anger, confusion and other negative feelings.
- Understand **the law, personal responsibility, your rights and self defence.**

Assault prevention – the physical aspect:

- **Practical easy to learn physical techniques.**
- Using **space, distance and movement.** Maintaining or recovering **balance & stability** when being attacked, such as being pushed, pulled and trapped.
- **Learn how to strike or hurt an attacker, how to break free** when **grabbed** by clothing, arms the body etc. and many other forms of physical attack.
- Learn also how to **protect and escape from being hit, choked. hair grabs etc... front & rear.**
- **Learn physical defences if you are on the ground, against weapons and other dangerous situations including sexual assault.**
